Ceiling finishing kit for use of projector lift systems above false ceilings. This kit makes a perfect closure of the lift opening in the ceiling possible.

**Guarantee**

**5 years**

## PPA 380 Ceiling frame for 90x60 / 90x90cm ceiling tiles (net opening is sm

PPA 380 kit can be used in combination with PPL 2525 and PPL 3535 lift systems. It is suitable for both 88x58 and 88x88cm size openings. The frame is open and a tile of the specific ceiling can be made into the frame to make it match the ceiling. The frame is connected to the lift system with spring supported adjustable rods. The spring takes care of a soft and perfect closing of the frame.
